

CREATIONS DEDICATED TO LE MEURICE

LA BELLE HISTOIRE (Claude Lelouch film) 14 €

Lemon balm, liquorice, elder blossom, lavender.

Bewitching sensations all contrasted by the elegant sharpness of the flowers of elder and unexpected liquorice...All the generous strength and the scent of the friendship of plants.

HYMNE AU SOLEIL (Edmond Rostand) 14 €

Lime blossom, aniseeds, orange blossom petals, sage.

To drink a mouthful of this marriage, it is to be for a moment under the caress of the sun and to inhale the air loaded with Mediterranean flavours...

DEMAIN DES L'AUBE (Victor Hugo) 14 €

Dog rose leaves, pine buds, wild thyme, liquorice, marigold petals.

«... When the countryside goes white... I'll go by the forest, I'll go by the mountain»

It is all the story of this infusion in the woody notes accompanied by the sweetness of the root of licorice. Bushes of dog rose which mark out the meadows of height in the powerful wild thyme picked in high mountain pastures on the way of the forests of pines, a stroll in the powerful and warm aromas.

ANIMA 14 €

Eucalyptus leaves, wild thyme, wild mint, mountain savory, cornflower.

Anima means soul in Italian... It is the soul of the Mediterranean earth who expresses itself by herbs dancing around the most fragrant tree: Eucalyptus. Delicious and powerful moment.... ...

LA NAISSANCE DU JOUR (Colette) 14 €

Lime blossom, jasmine, sage, nasturtium.

The first light of dawn form fantastic shadows in the big lime tree. In the crystalline air of a summer morning, sage leaves exhale their enchanting scent while jasmine flowers open to greet the first rays of sunlight ... It is daybreak...

LES PASSAGERS DU VENT (Comic book by François Bourgeon) 14 €

Mountain savory, elder blossom, agastache, chestnut tree leaves, hollyhock petals

Spring, with the heady mildness of the magical elder and the aromatic chestnut tree; Summer savory scenting the arid hills; Autumn finally, announcing the blossoming of the agastache delicately flavoured with aniseed...
